Mailing of the lectures:

- (i) The lectures will be e-mailed in form of a pdf file.
- (ii) Acrobat Reader 8 or later is needed to view the file.
- (iii) In order to obtain a manageable file size, the resolution of all pictures is 96 ppi.
- (iv) If a higher resolution is needed, a CD or USB stick can be mailed at the handling cost of \$25 or 20 Euro. The file size will be about 70 MB.

To ensure correct e-mail delivery please answer the following questions via e-mail to [jh@hpcc-space.de](mailto:jh@hpcc-space.de).

- (1) **The pdf file size is 14.5 MB.  
Can your e-mailer handle this size or does the file need to be split into two files of size 7.5 MB each ?**
- (2) **Please specify the e-mail address to be used.**
- (3) **Please indicate whether a special invoice is needed.**

The lectures will be updated about every six months. With the current purchase you are entitled to receive one free update, which will be sent to the same e-mail address without further notice as soon as it becomes available.

The pdf file is delivered *without* any security options. However, the reader is requested not to distribute the file. The work on the *Physics of Gravity-like Fields* is not funded, and purchasing the lectures is supporting to authors to continue their research.

The lecture notes will be e-mailed (mailed) as soon as payment has been received.

Enjoy the studying of the lectures. Your comments are welcome.

Sincerely yours,

Dr. Jochem Hauser, Professor, Scientific Director
