Please send *no checks*, since the handling fee is almost the same as the cost for the lectures.

Mailing of the lecture file:

- (i) The lectures will be e-mailed in form of a *pdf* file.
- (ii) Acrobat Reader 8 or later is needed to view the file.
- (iii) In order to obtain a manageable file size, the resolution of all pictures is 96 ppi.
- (iv) If a higher resolution is needed, a CD or USB stick can be mailed at the handling cost of \$ 25 or 20 Euro. The file size will be about 70 MB.

To ensure correct e-mail delivery, please answer the following questions via e-mail to jh@hpcc-space.de :

- (1) **The pdf file size is 14.5 MB.
Can your e-mailer handle this size or does the file need to be split into two files of size 7.5 MB each ?**
- (2) **Please specify the e-mail address to be used.**
- (3) **Please indicate whether a special invoice is needed.**

The lectures will be updated about every six months. With the current purchase you are entitled to receive one free update, which will be sent to the same e-mail address without further notice as soon as it becomes available.

The lecture file is delivered *without* any security options. However, the reader is requested not to distribute the file. The work on the *Physics of Gravity-like Fields* is not funded, and purchasing the lectures is supporting the authors to continue their research.

The lecture notes will be e-mailed (mailed) as soon as payment has been received.

Enjoy studying these lectures. Your comments are appreciated.

Sincerely yours,
Dr. Jochem Hauser
